

Participate Contemporary Artspace Exhibitions Policy

Participate are committed to extending the audience for contemporary visual art, and to enhancing the experience of gallery visitors.

We warmly invite exhibition proposals that meet the following criteria:

1. Show willingness to use the exhibition space in innovative and imaginative ways;
2. Offer work that is distinctive, contemporary and ambitious, and that:
 - demonstrates a high level of professional skill and presentation
 - uses forms, themes and contexts that are engaging and stimulating

There are no preferences or limitations on media, other than those arising from practical issues of installation, maintenance and safety.
